

2012

AGRI-TRADE

A SUCCESS!

Glover International was once again proud to participate in the 2012 Agri-Trade Exposition that ran from November 7th-10th. Thousands of guests made their way to Red Deer's Westerner Park to view the hundreds of booths on display from various organizations across the industry.

The sales team at Glover would like to thank everyone for coming out to the show and stopping by the booth for a visit!

Looking forward to next year!
